JULY 2006
Survey Background and Methods

In November 2005, Memorial Union Auxiliary Services wanted to explore the type of activities that would be most attractive to students. Student Affairs Research and Information (SARI) undertook a Quick Survey to determine which kinds of events students would be most likely to attend.

From November 23rd 2005 to December 1st 2005, SARI delivered a Quick Survey to all undergraduates via the MyUCDavis portal (http://my.ucdavis.edu). A total of 4,683 students responded to the survey, 21% of enrolled undergraduates. Students were asked to identify which one or more of the following activities they would attend at the MU, the Silo Pub, or Freeborn Hall:

A = Acoustic Sets,
B = DJ sets,
C = Open Mic,
D = Halo Tournament,
E = Karaoke,
F = Breaking Competition,
G = A cappella Sets,
H = Texas Hold’em Tournaments,
I = Poetry Nights,
J = Independent Films,
K = Dances, and
L = Other.

On the other hand, a cappella sets, poetry nights and Halo tournaments were the least popular activities among students: each was chosen by fewer than 20% of the respondents.
